Δ= Third berth ***D***= Fixed double bed ***S***= Single berth

Cabins aboard our three tall ships are similar in amenities, yacht-like décor and comfort. Some cabins on Royal Clipper have a private verandah and a select few on Star Clipper and Star Flyer open onto the deck, but most only vary slightly in size and layout. The biggest distinguishing factor between categories is location on the ship. The higher the cabin category, the higher or more central they might be located onboard.

All accommodations feature a television, DVD player, phone, thermostat control, private safe, hair dryer, nightly turn-down service and either 220 volt/European outlets (Royal Clipper) or 110 volt/American (Star Clipper and Star Flyer) outlets.
